

Old Farts
June 7, 2017

The Old Farts 2017 had ten pilots who flew their quiet running four stroke engines on a beautiful June day. The club provided sodas and water and pilots brought their own brown bag lunch.

Several prestigious awards were given to deserving participants including;

Earliest Old Fart (First Flight) – James Meadows

Oldest Old Fart – Tracy Kobs

Youngest Old Fart – James Meadows

Largest Old Fart Airplane – Terry Thorpe

Smallest Old Fart Airplane – Tracy Kobs and John George

Best Old Fart Military Airplane – John George

Best Old Fart Crash – Woody Lake (There were no crashes but Woody's engine died on takeoff and he landed safely in the weeds)

Thanks to everyone who came to participate.
